

# Contact Us / Speaking

written by Tandem Crew | 22 February, 2014

During our journey we enjoyed presenting to children and adults in India, China and South Korea and now that the journey is over we'd like to share our trip with more schools and community groups. After travelling around the world on a tandem we've got plenty of stories to tell, some observations to share and a huge stack of photos for you to enjoy which we hope will be inspiring and enjoyable for a wide variety of audiences.

We can tailor our presentation to suit different age groups and durations of 30 minutes or more. We can also cover specific themes to suit your syllabus or interests depending upon what you'd like to get out of the talk.

If you'd like us to come and visit then please get in touch with an outline of your requirements.

We'd love to hear from you if you'd like to get in touch about anything else too! You can email us at [hello@shesnotpedallingontheback.com](mailto:hello@shesnotpedallingontheback.com) or fill out the form below.

**Comments from audience members after a talk in Bristol,  
February 2017**

*"What an inspirational trip, thank you for sharing such an amazing experience" JB*

*“These guys have such a passion for where they’ve visited, who they’ve met, what they ate and drank, the roads they rode. They speak with such humour and humility that at times you find yourself thinking that it’s something you could do yourself. Then reality bites as you leave afterwards!” JH*
